

Sutter Creek Car Show

Oct 12, 2025

Once again, the Nor-Cal Chevelle/Camino Club, along with a few Camaro Club friends, descended on the small mining town of Sutter Creek for their Annual Sutter Creek Car Show. This is a small car show that some of us have attended for the past 5 years. In my opinion, this is one of the best Northern Ca car shows that only costs \$25.00 to enter your vehicle.

Randy's '67 Conv.

Robert's 71 Conv.

This year, our group consisted of George & Bev, Randy & Angela & Connor along with Angela's sister Monica, Dave & Katie, Jerry & Carole, Robert & Vickie and her friend Rosalie, Lance & Maria (who drove up in their Corvette), Cynthia & Steve, Dave & Sheila Reed and Dave & Marcia.

David's '64 Chevelle Conv.

Carole's '68 Chevelle Conv.

George's '70 Chevelle Conv.

The Camaro Team

Robert Hahn, the organizer's husband, makes these amazing trophies by hand out of his Automotive Shop in Sutter Creek. They are a serious piece of art, each weighing about 5 lbs. No plastic trophies at this car show!

After getting our cars registered and wiped down for judging, many of us found the restaurant/bar at the Sutter Creek Hotel for a wonderful breakfast. It was great that they had their TV screens on for the Sunday football games. David, Katie & Robert had front row seats for the football games, while George & Bev, Angela, Monica and Connor & I sat at a table right behind.

After breakfast, we all split up to explore the classic cars, local businesses and the tastes of Sutter Creek.

Many businesses were decorated with some amazing Halloween decorations.

George lost Bev for about 30 min as she stopped by the local Bespoke Perfume Bar to make her own "irresistible Beverly perfume".

Some of us found our favorite Margarita trailer manned by the local Jackson Rotary team. Others participated in the Car Show Raffle Sale.

Dave & Marcia Vickroy (Camaro Club friends) were the big winners of the “Best of General Motors” trophy with their ‘69 Camaro Rally Sport. It has a 307/350 power train, tuxedo black with white Z stripes. Rumor has it Marcia dragged Dave to the “Simply Bubbles” establishment after their win to celebrate with some local champagne!

Our Nor-Cal Chevelles looked amazing all lined up in a row on Main Street.

We even found another marina blue '67 Chevelle convertible that was close to a spitting image of my marina blue '67.

Although some of our group left the event early that afternoon before we could capture a full team picture, we were able to get a group picture of most of our team. Sorry to those that didn't make the group photo....

All in all, it was a wonderful day. The weather was gorgeous, we had a good group of friends who attended between the Nor-Cal ChevelleCamino Club & Camaro Club from the Bay Area. It was nice to see Jerry & Carole Kochan come join us from their new ranch estate in Orangevale. As the day came to an end, we all left with a smile on our face and already looking forward to attending this car show again next fall.
